Muzrai Department.

Sir,

I have the honour to forward herewith Petition No. 1899-1900 of Tirubagere Mahadeva bhatta praying that the feeding on the occasion of the car festival at the Ghati Sri Subrahmanya Swami Temple at Doddaballapur may be continued as before, and that at least persons of a certain status who like him have been long associated with and are interested in the temple & have long enjoyed the privilege of going into the garbha gudi for abhisheka archana &c may be allowed to

† Petition will follow.

to continue to enjoy the same privileges.

2- As regards the question of feeding during the car festival which has been put a stop to in Government Proceedings No. 714-5 Muz 7.88-92 of the 30th December 1899, it may be that there is an Agamic injuction prohibiting the feeding of Brahmins on such occasions out of temple funds. But there is a strong feeling in favour of the continuance of the practice both on the part of the Vydeek Brahmins and the public generally. It is stated that the agama of Rathoschava requires annasanti and that the appropriation of temple funds for this purpose infringes no rule laid down in the Agamas. On this point however, I have no

no definite information. I understand that on one of your visits to the temple, you issued verbal orders not to admit the public into the Garbhagudi. This is a wholesome rule. But the petitioner and a few others have from the time of their ancestors been allowed to enter the Garbhagudi on certain occasions and they claim the continuance of the privilege as a matter of right. I therefore send up the question for early orders as to whether petitioners and others like him may be allowed to enter the Garbhagudi of this Vydik Agama temple.

Enclosure No. One

His Letter No 1009 dated 17th of April 1900 submitting for orders a petition from Tubagere Mahadeva Bhatta and others praying for the continuance of feeding during the car festival in the Grade Sri Subramanya swamy temple, Sirdhalla four Taluk and also that the petitioners may be allowed to enter the Garbha Gudi of the temple as they have been enjoying that privilege from

a very long time

With regard to the question of feeding during the car festival, has the honor to State that in the revised Yasdik Patti issued on 18th August 1900, a sum of Rs 120 has been provided for the Rathostavam, ~~etc~~ which includes the cost of feeding on a limited scale. In case the devotees desire the feeding to be on a large scale, the amount required to meet the cost thereof should be paid by them.

2. As regards the petns' request that they may be permitted to enter the Garbhagudi of the temple, the Dy Comr may however allow them do ~~D~~ so, if ~~he can~~ after an enquiry into the matter he finds that they have been enjoying that privilege from a long time, as the services in this temple are conducted not according to the saiva agama but according to the Vaidik ~~agama~~

3. The above are here with returned.

Requesting sanction for Rs 150/- for feeding Brahamins on the occassion of the Ghatti Subramania jatra in the Doddaballapur Taluk

D. V. No. 1106

Bangalore District
Dy. Commissioner's Office
Bangalore 18th December 1900.

To,

The Secretary
to the Government of Mysore
Muzrai Department

Sir

With regard to your docket No. 213/88-92 dated the 18th August 1900 stating that the cost of feeding Brahmens on the occasion of the Ghati Subramania jatra in the Doddaballapur Taluk, may be met from the sum of Rs. 120/ provided for the Rattotsavam, I have the honor to state that the cost of feeding has during the previous years amounted to more than Rs. 300/ and it is therefore impossible to meet it from the Rattotsavam allowance of Rs. 120.

This latter sum only goes to meet the cost of the charge incidental to the Rathotsava and no portion of it can be spared for feeding. The pilgrims who attend the jatra have all long been accustomed to free feeding and the sudden cessation of such feeding this year will subject them to great hardship and trouble. I, therefore, beg that the Government may be pleased to sanction Rs. 150/ towards the cost of feeding Brahmins on a limited scale at least on the Shasti day.
